Monu moisturising

Monu Skincare has launched four new moisturisers that are now Paraben-free but with the same performance.

Monu has over 30 years experience in creating skin care for professional use, and the new moisturisers are equally suitable for retailing for home use.

Skin Perfector is the ideal moisturising base to keep foundation looking fresh all day, and Recovery Balm provides immediate relief to all skin types, especially sensitive or stressed skin.

Moisture Rich Collagen Cream is packed with marine collagen to eliminate dehydration, and Mattifying Lotion instantly reduces the appearance of imperfections and shine without blocking pores.
