Spotlight on Westgate Clinic

LORNA Barbour has just celebrated her 18th year in business as a beauty therapist and podiatrist in North Berwick. Her Westgate Clinic has recently had its own facelift and has a bright and relaxing atmosphere in which to enjoy a wide range of treatments in comfort and privacy.

The recent refurbishment has created a nail bar where clients can enjoy their hands being transformed with Jessica natural nails and the new funky Minx nails which look great for the summer months.

The salon now has its own St Tropez spray tanning booth which is proving very popular. On offer at the moment is a complimentary eyebrow shape for readers booking a spray tan session.

Natural facials using **Monu** products and the Ultra Visage non-surgical facelift, aided by microcurrent to tighten up facial muscles, are offered.

Lorna is keen that her clients leave rejuvenated and relaxed whether it be after a full podiatry treatment or Indian head massage, Reiki and hot stone therapy, all enjoyed surrounded by mood lighting and candles.

Step into the Westgate Clinic and walk out on air!

The clinic, which is open Monday to Friday, 9.50am-5pm, is based at Craigview House, 39B Westgate, North Berwick. Telephone 01620 893268. Email: lorna@westgateclinic.com or go to the website www.westgateclinic.com. **ADVANCE BOOKING IS ADVISED.**
